WELCOME FROM COUNCILMAN

SIMON HOOKE

Dear Sponsors and Supporters,

It is with great enthusiasm that I invite you to the 3rd Annual San Carlos Apache Cattlemen's Association Conference, taking place March 24–25, 2026.

This year, we unite under the theme:

“Benefits of Working Together for Quality Herds.”

This conference continues our mission to strengthen Apache ranching through collaboration, education, and a shared commitment to excellence. Together, we'll explore how working side by side - across families, districts, and generations - leads to stronger herds, healthier lands, and a more prosperous future for our cattle industry.

A Week of Celebration and Learning

The 2026 event will feature not only two full days of educational sessions and networking, but also community celebrations of San Carlos Apache ranching excellence:

- March 25–26: Cattlemen's Conference
- March 27: Junior Rodeo
- March 28–29: Gilson Wash Rodeo

All conference registrations include meals & tickets to the rodeos, offering participants a complete experience of education, tradition, and entertainment.

Opportunities to Support and Engage

We are proud to offer sponsorship and vendor opportunities that allow businesses and organizations to:

- Gain visibility among ranchers and agricultural leaders
- Showcase products and services that strengthen local operations
- Demonstrate a lasting commitment to the Apache ranching community

Your partnership makes this gathering possible. In the face of challenges like drought, shifting markets, and rising operational costs, your support helps us create solutions that keep Apache ranching strong—today and for generations to come.

Our Commitment

The San Carlos Apache Tribe's ranching tradition is rooted in hard work, unity, and respect for the land. By working together and focusing on quality herds, we can ensure the continued growth and sustainability of our cattle industry while honoring our shared heritage.

We deeply appreciate your continued support and invite you to join us this March for what promises to be an inspiring and impactful event.

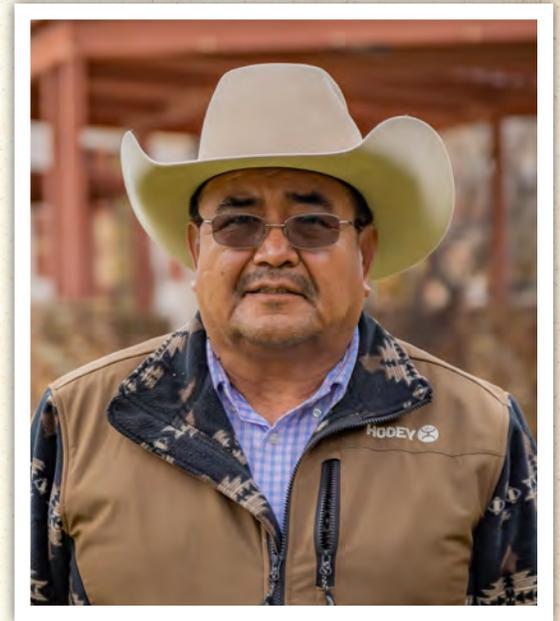

Thank you for being a vital part of this ongoing mission.

With gratitude,

Councilman Simon Hooke
